Negotiable, depending on experience

Job start date:
February 2020, interviews starting
immediately

Location:
London SE1

Eight Associates is looking for a Sustainability Consultant and BREEAM Assessor to join our amazing team.

A bit about Eight Associates:

- Friendly, award-winning, passionate, energetic team
- Multi-disciplinary sustainability consultancy in the built environment
- Broad range of clients and many exciting new development projects
- Working towards a sustainable future

A bit about the role:

- Joining the Assessment team to undertake BREEAM Assessments throughout planning, detailed design and construction
- Working closely with design teams and clients to help them achieve key sustainable deliverables
- Technical report writing and problem solving
- Working within the Eight Team to provide a 'can do' approach to consultancy

Eight Associates is a friendly, award winning, sustainability consultancy providing multidisciplinary expertise and solutions for building owners and design and construction professionals that add intrinsic and commercial value to the built environment, we want you to be a part of that.

If you have a relevant background and a firm commitment for environmental issues and would like to know more about joining our team, please get in touch.

Please send your CV in PDF format, with "Sustainability Consultant/BREEAM Assessor" in the subject line and quoting your availability and salary expectations to:
info@eightassociates.co.uk
