Vacancy:
Hydrologist/Flood risk consultant

Job start date:
September

Location:
London SE1

Eight Associates is a multidisciplinary environmental and sustainability consultancy that has an exciting opportunity for a hydrologist who wants to develop a professional service and take it to the next level within the company.

We are looking for a Hydrologist and specialist in flood risk consultancy who can demonstrate a detailed knowledge of flood risk and hydrological consultancy. The key applicant will be able to demonstrate two essential attributes: unmistakable talent and ambition.

Key responsibilities (essential):

The ability to undertake the following services:

- Flood Risk Assessments for flood zones 1,2 and 3;
- Surface Water Management Plans;
- Surface Water and Foul Drainage Strategies;
- Hydraulic Modelling.

The successful candidate will have the following:

- Background in a civil engineering/environmental engineering discipline;
- A BSc and potentially MSc or related post-graduate degree with strong academic track record;
- Comprehensive knowledge of the challenges relating to flood risk management, drainage strategies and integration of SuDS, and a sophisticated understanding of hydrology;
- A minimum of 3 years' work experience.

Personal attributes:

We are looking to meet candidates with the following qualities:

- A firm commitment to environmental considerations and climate change mitigation;
- Happy to work within a team and with clients;
- Able to communicate effectively both verbally and in writing;
- A swift problem-solver with imagination and initiative;
- Positive and independently-minded with a good sense of humour.

About Eight Associates:

- Friendly, award-winning, passionate, energetic team
- Multi-disciplinary sustainability consultancy in the built environment
- Broad range of clients and many exciting new development projects
- Working towards a sustainable future

Eight Associates has a unique team ethos and offers a great benefits package, including a day off on your birthday in addition to a generous annual leave allowance, free gym membership, a dedicated training budget, regular performance reviews and a profit share bonus scheme.

Expressions of interest:

If you'd like to be part of the team, please send your CV in PDF format with the subject line "Sept 2020 Flood position" quoting your availability and salary expectations to: info@eightassociates.co.uk

Visit our website for more information: www.eightassociates.co.uk

All applicants are required to provide evidence of their entitlement to work in the UK before employment.

We politely request that recruitment agencies do not contact us regarding this position
