Vacancy:
Materials Circularity and Sustainability Consultant

Job start date:
Immediate

Location:
London SE1

Eight Associates is a multidisciplinary environmental and sustainability consultancy that has an exciting opportunity for a Materials Circularity and Sustainability Consultant who wants to develop a professional service and take it to the next level within the company.

We are looking for a sustainability consultant who can demonstrate a good knowledge of Life Cycle Analysis (LCA) the environmental impact of materials and products as well as the ability to provide excellent consultancy and client service skills. The key applicant will be able to demonstrate two essential attributes: unmistakable talent and passion.

Key responsibilities (essential):

The ability to undertake the following services:

- Strong communication skills, promoting and engaging commercial clients on the merits of LCA and circular economy principles
- Client consulting to determine expectations and achieving key deliverables
- Conducting Life Cycle Assessments and the quantification of the environmental impact of products and buildings
- Appraisal of products and materials and wider sustainability objectives such as energy, air quality and pollution

The successful candidate will have the following:

- Background in a science related discipline
- An MSc or related post-graduate degree
- Comprehensive knowledge of the quantification of environmental impacts and the business case for sustainability
- Proven commercial consultancy skills.

Personal attributes:

- Flourishes in a team environment and building client relationships
- Strong presentation skills and the ability to provide thought leadership
- Able to communicate effectively both verbally and in writing
- A swift problem-solver with imagination and initiative
- Positive and independently-minded with a good sense of humour

About Eight Associates:

- Friendly, award-winning, passionate, energetic team
- Multi-disciplinary sustainability consultancy
- Broad range of clients and many exciting new projects
- Working towards a sustainable future

Eight Associates has a unique team ethos and is proud of its people-first approach, which comprises; on the job mentoring, a dedicated training budget, regular performance reviews and a profit share bonus scheme.

If you'd like to be part of the team, please send your CV and covering letter in PDF format with the subject line "December 2020 LCA position" quoting your availability and salary expectations to: info@eightassociates.co.uk
